

# BIO-CIRCLE

## CASE STUDY SNAPSHOT

BIO-CIRCLE GT Maxi

**INDUSTRY:** Food & drink production - beer production

**CLEANING APPLICATION:** Cleaning parts in the production of beer

**EXISTING CLEANING PROCESS:** Stainless steel units with alkaline cleaners/ solvents

**THE PROBLEM WITH THIS:** The cleaners required regular replacement

**BIO-CIRCLE CLEANING PROCESS:** **BIO-CIRCLE GT Maxi** & **BIO-CIRCLE L** cleaning liquid

**THE RESULT:** The cleaning process is more efficient with the self-cleaning cleaner and it has a much longer service life

### BIO-CIRCLE L

Ready to use

Suitable for use in the food industry

VOC free
