Algae & Moss Away

Professional
MOSS, ALGAE &
GREEN MOULD REMOVER

Spray on and leave foaming solution

Suitable for use on:

- Artificial Pitches
- Stonework
- Paving, walkways & public areas
- Stadium & Training Ground maintenance applications
- Roofs

- ✓ A high performance solution for treating and maintaining algae and moss free surfaces without the need for powerwashing or scrubbing
- ✓ Does not cause surfaces scarring, often seen with powerwashing
- ✓ No dilution required - ready to use product
- ✓ Long lasting efficacy - kills algae, green mould and moss. Continues to work for up to 6 months, keeping surfaces free from regrowth

USAGE INSTRUCTIONS:

1. Shake container well
2. Decant into sprayer or bucket and spray or brush on to affected surfaces
3. Do not allow contact with plants, grass or ponds
4. Safe for pets once surfaces are fully dry
5. Rinse out equipment thoroughly after use
6. No scrubbing required. Product will work on the surface over several days
7. Heavy contamination may require an additional application
